9 – 11 am

Bow Lake Recycling and Transfer Station

Bids Due to the Owner: April 9, 2010

Project Description:

Project consists of construction of a new recycling and transfer station, plus sitework and associated items like scales, balers, compactors, etc, at the existing transfer station site.

Turner has partnered with Mid Mountain Contractors (Greg Lovinger 425-202-3600), MacDonald Miller (Steve Nicholes 206-763-9400) and Cochran (Ed Montgomery 206-367-1900) for Divisions 2, 15 & 16. They will be available for questions regarding those scopes

Plans and project information are available on Builders Exchange; contact Jonelle Romero for username and password at jmromero@tcco.com or 206-505-6050.

RSVP your intent to attend at rjones@tcco.com
(No telephone Calls - Please!)

This project has a 10% King County Small Contractors and Suppliers (SCS) Program Goal. M/W/D/SBE firms are encouraged to attend!
